Covering 100 hectares, Bedarra Island is part of the Family Group of Islands, located off the tropical North Queensland coast, midway between Townsville and Cairns and neighbouring Dunk Island.

## GETTING THERE

Bedarra is known as the 'mother' of the Family Islands Group which is located midway between Cairns and Townsville off the coast of Tropical North Queensland. The majority of guests access the island via regular domestic and international flights into Cairns, followed by a scenic flight to Dunk Island and a 20 minute launch transfer to your private hide-away.

### AIR:

Regular flights are available from all major capital cities to Cairns Domestic Airport with Qantas, Virgin Blue and Jetstar. This is followed by a scenic flight (approximately 45 minutes) to Dunk Island, offering spectacular views of the coast, the Great Barrier Reef and surrounding Islands. Sunpalm will provide private transfers from the main terminal at Cairns to the Hinterland Aviation terminal. Passengers must advise their connecting flight details 7 days prior to departure. Failure to do so will result in transfers not being arranged.

**Connecting times:** if arriving from a domestic flight to Cairns a minimum of one and a half hours connection between flights is required. When arriving from an international flight a minimum of two and a half hours is required - this includes domestic travel on an international flight number. These connection times are required in either direction.

Guests staying overnight in Cairns, are required to make their own way to the Hinterland Aviation Terminal. Final check-in is 30 minutes prior to departure time.

**Luggage restrictions:** Please note on the service from Cairns to Dunk Island passengers are limited to 23kg including one carry-on item not exceeding 4kg. While you may have been able to carry more than this amount onto the island, we cannot guarantee that the same will apply on your return flight. If you believe you are carrying extra luggage please contact reception for assistance at least one day prior to your scheduled departure.

A 20 minute boat transfer service between Dunk Island and Bedarra Island operates daily and meets flights into Dunk Island. Request at time of booking.

Transfer flights are operated by Hinterland Aviation, out of Cairns Airport, during daylight hours. For the latest Hinterland Aviation regular flight schedules or charter flight information, visit [www.bedarra.com.au](http://www.bedarra.com.au) or phone 1300 384 417 or +61 7 4047 4747 (International).

### PRIVATE CHAUFFEURED CAR TRANSFER:

Cairns Limousines offer a meet/greet service from Cairns Airport and Cairns City to Mission Beach. Cars depart daily on demand and seat up to 3 passengers with luggage. Larger vehicles are also available. Your car transfer can connect with a Quickcat transfer to Dunk Island which departs to and from Mission Beach twice a day.
