

Great Barrier Reef Scenic Flights

Island Reef Helicopters offer spectacular scenic flights over the Great Barrier Reef, the Family Islands including Dunk and Bedarra Islands, and the verdant rainforests, secluded beaches and hidden waterfalls that surround the stunning Mission Beach area.

The 'Great Barrier Reef' Experience - \$449 per person

(min 2 people)

Everyone should experience the Great Barrier Reef from the air at least once in a lifetime! A breathtaking flight over pristine reefs including Otter Reef, Yamacutta Reef, Taylor Reef, Eddy Reef and Beaver Coral Cay. Each reef is unique and showcases the amazing colours and vibrant corals that the Great Barrier Reef is renowned for. This is a must do flight to see all the wonders of the Great Barrier Reef from the air. (approx. 45-minute flight)

Family Islands Scenic Flight - \$149 per person

(min 2 people)

What a way to see the famous **Dunk** and exclusive **Bedarra** Islands plus five uninhabited islands which make up the Family Islands Group – some of the most magnificent tropical islands on the Australian coast. (approx. 15-minute flight)

'Sea Turtle & Wildlife' Adventure - \$299 per person

(min 2 people)

Our most diverse flight over beaches, islands, stunning reef and rivers offering you the best view of the varied and beautiful locations in the Mission Beach area. You start with a flight along the 14km coastline of Mission Beach, followed by a bird's eye view of the **Family Islands** before heading to Brook Islands with its fringing coral reef system. The trip home via the Hull River provides a perfect opportunity for crocodile and cassowary spotting from a great vantage point which is otherwise inaccessible by car or boat. (approx. 30-minute flight)

'Pure Hinchinbrook' Scenic Flight - \$599 per person

(min 2 people)

Possibly the most spectacular flight on the east coast of Australia flying over the majestic Hinchinbrook Island! A prehistoric wilderness location offering volcanic peaks, pristine waterfalls and waterways, secluded beaches and undiscovered rainforests. Home to Dugongs, Crocodiles, Turtles and all manner of marine animals. A truly memorable flight over an amazing landscape and views of the Brooks and Family Islands on the way home. (approx. 60-minute flight)

Sunset Flights - \$149 per person

(min 2 people)

Take in the breathtaking view of Mission Beach and Family Islands during a tropical sunset flight you will never forget. Why not combine a sunset flight with another package to create an experience to remember? (approx. 10-minute flight)
